What we will see

- Elephanta Island
- Elephanta Caves

What we will do

- We leave the port by coach and head towards the **Gateway of India** where we board the ferry that takes us to the **cave temples of Elephanta island**.
- When we reach the island, we have to walk for about 20 minutes or take a 5 minute train ride to where the **caves** are located and then climb up 120 steps to the entrance of the caves.

- In the caves we can admire the temples carved out of the rock that date back to the 8th century AD. The bas-relief statues that are sculpted in the stone are brought to life as the guides recount the Indian myths and legends that animate them. The cave carvings are centred around the life of Shiva the destroyer. The most impressive ones, however, are dedicated to the Trimurti of Brahma, Vishnu and Shiva: the creator, the preserver and the destroyer.

- When we arrive at **St. Thomas Cathedral**, we leave the coach to visit the inside of the church.
- We leave the cathedral to enjoy an interesting walk through the district, during which we will pass in front of the Flora Fountain, the graceful stone fountain dedicated to the Roman goddess. We then pass by the **University of Mumbai** and the **Supreme Court Building**, built in Gothic style. We can then admire the **David Sassoon Library**, the **Army and Navy Building**, the **Jehangir Art Gallery** and the **Prince of Wales Museum** before ending our tour in style at the famous **Gateway of India**, the city's symbol.
- From here we head to the **Mahatma Jyotibha Phule Market**, also known as Crawford Market, where locals buy fruit, flowers and animals all under the same roof.
- For more shopping before returning to the port we can visit the **Mangaldas Bazaar** where we can find all sorts of products at very reasonable prices, from electronics to cars and fabrics.
